Slot Sale Agreement

Sale

Complete this form for all official slot sales. With this sale, the owner relinquishes all rights of ownership including, but not limited to, their name on the slot, future rights of refusal to the slot and payment of earnings.

A lease is not recognized by MSBA; this agreement is between the lessor and the lessee. The owner maintains ownership rights to the slot. The Lessee is not recognized other than as the horse owner. All earnings are paid to the slot owner, not the lessee.

Ownership Rules

The owner of the slot entry form is the owner of the slot, regardless of the horse shown. The owner must have a current MSBA membership. The current slot owner has the first right of refusal of the slot for the life of the class or until they give up the right. There is a limit of two slots per class per each Immediate Family Unit.
